

Mikael Friman appointed as New CFO at Arla Plast AB

Mikael Friman has been appointed as new CFO at Arla Plast AB and will replace previous CFO Monica Ljung. Mikael is currently CFO at Actia Nordic AB (since 2020) and has earlier held similar positions at Ateles Consulting AB and Autoliv Electronics AB. Mikael Friman will be part of Arla Plast's Group Management Team and will join no later than November 4, 2024.

“Mikael has extensive experience from manufacturing companies in growth. With his competence and business-oriented profile, he will play an important role in Arla Plast's continued development, says Christian Krichau, CEO.

About Arla Plast

Arla Plast is a producer and supplier of extruded sheets made of technical plastics. The plastic sheets are made of polycarbonate (“PC”), acrylonitrile butadiene styrene (“ABS”) and polyethylene terephthalate glycol (“PETG”), with a large number of areas of application, including safety products, machine glazing, ice hockey rinks, greenhouses, pool covers, sound walls, protective barriers, suitcases, automotive components and various other construction-related areas of application. The company was founded in 1969 and is headquartered in Borensberg, Sweden. Arla Plast is listed on Nasdaq Stockholm in the Small Cap segment. Read more about Arla Plast at www.arlaplastgroup.com.
